

ATM 007[®]

MOSS & LICHEN REMOVER AND KILLER

Description	ATM 007 is a powerful, long lasting remover and killer that restores and cleans surfaces affected by moss, lichen, algae (red and others), bacteria, mould, air pollution and oily residues.
Properties	<ul style="list-style-type: none"> • Preventative and curative. • Long lasting protection. • Concentrated formula – Highly economical. • Easy application. Easy to use. • Waterbased - Colourless and odourless. • Excellent wetting action. • Recommended before painting. • Does not change the colour of the surface it's applied to.
Basic uses	<ul style="list-style-type: none"> • Exterior. • Façades, Roofs, Balconies, Paving, Steps, Terraces, Monuments, Pottery, Tennis Courts.... • Stone, Brick, Slate, Shingles, Concrete, Fibre-cement, Coatings, Plastic....
Technical data	<p>Composition: Isothiazolinine and Benzalkonium Chloride Solvent Type: Water Specific gravity at 20°C (68°F): 1.02% ± 0.02. Viscosity: Liquid. Flash point: Not classified as flammable. Container size: 2.5L (contact us for other sizes). Colour: Light yellow. Shelf life: 2 years minimum in original unopened packaging. VOC: N/A</p>
Surface preparation	Brush or scrape the surface to remove any debris, moss, lichen etc. that can easily be removed so that enough of the substrate is accessible.
Application tools	Brush Roller Pump Sprayer Stainless steel spray gun.
Good application practice	<p>Wear suitable protection – rubber gloves, goggles or visor, mask, clothing etc. Stir diluted solution gently. Do not shake. When applying by sprayer (pump, spray gun) adjust nozzle to prevent the formation of a mist. Do not apply on to glass or thatched roofs. Never rinse the application surface after applying the treatment. Apply between 5°C (41°F) and 35°C (95°F). Do not apply to hot surfaces. In hot weather, moisten the surfaces to be treated with water to cool the substrate and allow to dry before applying ATM 007. Exercise caution when using biocide products. Always read the label and product information before use. Avoid spraying near flowers and plants.</p>
Dilutions	<p>Curative: 1 part ATM 007 to 9 parts water. Preventative: 1 part ATM 007 + 19 parts water.</p>
Application	<p>Curative: Apply diluted ATM 007 generously, ensuring moss and thick patches of lichen are well saturated. 2 Options: 1 – Wait 48 hours then rinse with a power washer (max. 50 bars at a minimum of 50cm from the surface to prevent damage). 2 – Do not rinse and allow bad weather to eliminate residue incrementally. The effects will be visible in 10 to 15 days. Preventive: Apply diluted ATM 007 generously to all surfaces to be treated. For best results use between April and December. Ensure it does not rain 12 hours prior to application and a minimum of 48 hours after the treatment.</p>

Coverage	<p>Curative: Undiluted: 5m²/litre Diluted: 50m²/litre (125m² per 2.5 litres of concentrated ATM 007 diluted)</p> <p>Preventative: Undiluted: 5m²/litre Diluted: 50m²/litre (250m² per 2.5 litres of concentrated ATM 007 diluted). Actual coverage is dependent on condition of the surface, absorption into the substrate and application method.</p>
Clean-up	Water.
Storage	<p>Keep from freezing and high temperatures. Do not empty waste material into drains, watercourses or access routes to septic tanks. Any waste material should be properly disposed of and in accordance with local regulations. Do not re-use packaging. Store only in original container.</p>
General information	<p>Every care is taken to ensure that the information provided in this technical data sheet is accurate. Owatrol International is unable to guarantee results as we have no control over the conditions under which our products are applied. For further advice and information please contact our technical department by email at info@owatrol.com or the local Owatrol Agent for your country. The information above is correct at the date of issue. All other OWATROL products named in this document should be used as per label instructions and the technical data sheet.</p>
Safety	Refer to the safety data sheet (MSDS) available at www.owatrol.com and text on the packaging. Keep out of the reach of children.
